# LEG PRESS

MODEL › GZFI8043  
 FEATURES › contoured platform  
 › multiple start positions

## FEATURES AND BENEFITS

**Multiple Start Positions** › Leg assembly can be set in one of ten start positions to fit a wide variety of users.

**Platform Adjustment** › Users simply pull platform forward or press the pedal to release for a precise fit.

**Backrest Adjustment** › Easy, one-handed adjustment can be made while seated on the machine. Position backrest upright for emphasis on the quadriceps and hamstrings. Position backrest in a reclined position to target the glutes and hip extensors.

**Arc Movement** › The arc-shaped movement pattern allows the user's body to fully extend.

**Contoured Platform** › Textured to prevent feet from slipping, the platform is contoured to maintain foot alignment in various positions.

**Cable** › Heavy-duty, ¼" cable is rated to 4,200 lbs. minimum tensile strength.

**Belt** › Two inch wide by 0.125-inch thick belt is rated to 10,000 lbs.

**Weight Stack** › Oval-shaped stack is enclosed to limit access to moving parts.

**Bolt-down Strap** › For added safety, equipment can be bolted to the floor.

**Floor Protectors** › Made of molded rubber, floor protectors guard against damaging the floor.

**Serviceability** › The weight stack access panel allows for simple cable service while the removable upholstery and Linex® wear guards increase cushion life and allow for easy replacement of wear items.
